Outreach Sponsoring Breakfast Club At Nicholson School

The Outreach Committee has chosen to sponsor the following project as explained by Laura Long. We will be collecting items for the

Breakfast Club throughout August and September. Please note that this is also a "hands on" ministry with the opportunity to volunteer at Nicholson

School. Donations may be left in the church hallway in the collection boxes. Thanks.

Nicholson School Breakfast Club

Breakfast Club is held at Nicholson Elementary School through the week from 7:50 to 8:30. Most of our participants are on free and reduced lunch, but that is not a requirement. When the students arrive at school they go get their breakfast and bring it to Mrs. Davis' room (she switched rooms this year so I am not sure of the room number). The children eat their breakfast, and then brush their teeth. We have had a lot of support from local dentists so we have plenty of toothbrushes and toothpaste.

Our main goal with these students is school readiness. Making sure they have everything they might need to have a successful day at school. A volunteer's role is to be a friend, and mentor to the student during that time. Really what it translates to is hanging out, building relationships and being truly

present to that child. When people wish to volunteer I ask that they come to school between 7:50 and 8:00 sign in at the office, and join us in Mrs. Davis' room. We are usually done by announcements at 8:35.

Things that we can always use in breakfast club include:

- Oatmeal (the kids like maple and brown sugar)
- Granola bars (both the chewy and crunchy type)
- Fruit and Cereal bars
- Cereal

Milk

We also make sure that the children are appropriately dressed for their day, we can always use the following:

- Gently used clothing any size 6 to 14
- Pants, especially sweat pants in unisex colors (grey, black, blue) size Small, Med, and Large

- Shoes sizes 1 to 6 youth (especially tennis shoes)
- Sweatshirts, sweaters, fleeces size 6 to 14

One piece bathing suits for girls and swim trunks for boys 6 to 14

I am more that willing to talk to anyone who may want to volunteer. School starts August 17 for students, I will be back in the office on August 15th. People can contact me at 765-362-2607 ext 5122 or email llong@cville.k12.in.us. We will be selecting our breakfast club members the first two weeks of school (our total will be 25 to 30 students). So I would expect that we would really need volunteers by Labor day.

Looking forward to working with you,

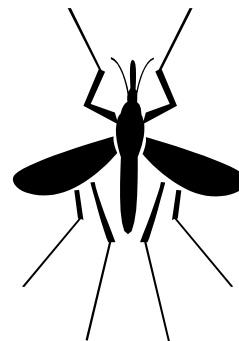

Laura Long

Family Camp vs. Mosquitoes

I am very sad to say that the extreme heat, along with a huge (emphasis on HUGE) mosquito population is detrimental to our camp experience. Todd, Randy, and I have spoken and determined Parish Family Camp is better scheduled at a future date.

Keep your eyes on Google, newsletter, and bulletins for further information.

God Bless
